TOWN COUNCIL ASKED TO BEAUTIFY TOWN BY PLANTING TREES

COUNCIL APPOINTS COMMITTEE TO STUDY ESTABLISHING CURLING RINK

Discussion of possible assistance from the town council in financing a plan for planting trees in Wainwright next spring was a feature of the regular meeting of the council Thursday evening of last week. The discussion was opened by Councillor Coursier, who promised to submit a concrete plan for tree planting to the council next spring.

The council also discussed establishment of a rink in Wainwright this winter. Mayor Forster, at the motion of the council, appointed Councillors Loudfoot, Patterson and Coursier on a committee to investigate the proposition, with himself as an ex-officio member of the committee.

Councillors Loudfoot, Robinson, Coursier, McLeod, Patterson and Welch and Mayor Forster were present. The minutes:

The recorded proceedings of council at its regular meeting of September 6, 1932, were read and, on motion, were adopted and confirmed as written.

Mr. M. G. Cardell addressed a communication to council advocating that the insurance of property owned by the town of Wainwright should be equally distributed amongst those fire insurance agents who are taxpayers of the town. The communication was referred to the property, assessment and by-laws committee for investigation and report.

On motion, the request of Mr. J. Telford, that he be allowed to connect with the town system for the obtaining of water for his private use, was granted as outlined in his application, provided that an agreement be drawn up an executed satisfactory to the fire, light and utilities committee. All councillors voted in favor of the motion but Mayor Forster registered his vote as opposed.

Councillor Coursier inquired whether council were disposed to offer any inducement to encourage the planting of trees on the streets of the town of Wainwright in the spring of 1933. He deplored that this branch of beautifying our town has been so long neglected and thought that council should signify their willingness to assist this laudable purpose. He had collected considerable information as to the best trees for planting and the best policy to pursue in planting. In one letter, from the Indian Head experimental farm, Mr. Norman M. Ross, chief of the tree planting division, advised that the elm and ash were the better kinds as a long lived tree but did not favor cultivated poplars for quick growing varieties. He would recommend the planting of the native Balm of Gilead as he had seen some very fine specimens of this tree on the streets of towns and villages in northern Alberta. Other members of council expressed themselves as in sympathy with the idea advanced by Councillor Coursier but felt that the owners of property bordering on which trees were to be planted should show their interest by sharing a part of the expense of purchasing the trees and by undertaking to plant the trees and properly caring for them in the early stages of growth. Councillor Coursier expressed himself as well satisfied with the reception of his proposal by council and promised that he would be prepared to submit a concrete plan for tree planting to council early in the coming year.

On motion, it was unanimously resolved that the motion, duly introduced in council and unanimously carried at the regular meeting of June 7th, 1932, instructing the Secretary-Treasurer to levy certain taxes on the assessed valuations and authorizing certain discounts, be amended by rescinding all that part of the original motion following the words, "paid to the Secretary-Treasurer," where they first appear in the said motion and by substituting, for the part rescinded, the words, "on or before the First Day of November, A.D. 1932."

On motion, council was regularly adjourned.

The average depth of the world's oceans is 12,000 feet.

MATCHES, Pants - - Trouble!

While threshing at the Julius Bamelis farm north of town, George Gedore, a neighbor, saw some smoke right around himself. Right then he discovered that his pocket and pants were on fire and he jumped off his load.

Mr. Gedore kept his presence of mind and ran for a safe place—where it was told The Star. Anyway, he got the fire out and saved further trouble. Matches in his pocket and the rubbing of his fork handle started the fire. Of course George didn't have any insurance on his pants—too bad.

H.S. STUDENTS CHOSE OFFICERS

STUDENTS ELECT OFFICERS, EDITORS FRIDAY

By School Editor

A meeting was held Friday Sept. 23, to organize a student body, with Mr. Thoreson presiding. He gave an interesting talk in which he pointed out the duties of the various officers. In the election the following officers were named:

President—Vaughan Ganderton. Vice-Pres.—Doug. Wallace. Sec.—Treas.—Bernice Reid. School Editor—Doris Forster. Cheer Leader—CMT Bradley. Class Presidents: Grade IX—Russell Ganderton; Grade X—Lois McKay; Grade XI—Edna Cooper; Grade XII—Muriel Durrant.

Class Editors: Grade IX—Phillips Cumming; Grade X—Charles Adamson; Grade XI—Janet Forster; Grade XII—Wallace Prosser.

TEACHERS MEETING HERE NEXT WEEK

Preparations are continuing for the annual convention of public school teachers of the Wainwright inspectorate to be held in Wainwright Thursday and Friday, October 6 and 7.

The Thursday meetings will be held in the L.O.O.F. Hall and the programs will include several out of town and local speakers. Mayor Forster and H. C. Montgomery, chairman of the Wainwright Schools, will give addresses of welcome. The address in reply will be given by Mr. Grant M. Saul of Metropolitan S.D. Other addresses for the day will be given by Mr. Lorne Good, B.Sc., Inspector of Public Schools, W. H. Zook, Editor of the Wainwright Star, Mr. G. F. Manning, M.A., Instructor, Camrose school and Dr. H. E. Smith, Ph.D., of the University of Alberta.

Friday's session will be held in the Wainwright School. These meetings will be divided into the junior section and the senior section. Demonstrations and examples of various phases of the work will occupy the forenoon and the afternoon session will be devoted to a business meeting and to discussion of problems concerning the teachers. The management of the Elite theatre is arranging for a dance to be held in the theatre Thursday evening after the show.

CALLS WESTERN PASTOR

HALIFAX—The congregation of St. Andrew's United church here has extended a call to Rev. J. A. MacKeigan, of Moose Jaw, Sask.

| Saturday, Sept. 24, | 31 |
| Monday, Sept. 26, | 31½ |
| Tuesday, Sept. 27, | 31 |

No. 1 Hard is 1c higher than No. 1 Northern.

JOHN BALLENTINE OF FAYAN DIED LAST SATURDAY

65-YEAR-OLD MAN HAD BEEN ILL ONLY TWO DAYS; FUNERAL MONDAY

John Ballentine, 65 years old, farmer in the Fabyan district since 1921, died Saturday Sept. 24, 1932, after only a brief illness. He had been in rather poor health for some time, but became suddenly seriously ill Thursday noon. He was taken to the Wainwright hospital Friday, and died there Saturday noon. Death was due to heart trouble and complications.

Funeral services were held at the United church in Wainwright Monday afternoon at 2 o'clock. Rev. J. R. Geeson of Irma was in charge, with Rev. W. J. Huston of Wainwright assisting. Pallbearers were J. A. Thomson, S. S. Thomson, R. Le Shotta, Frank Ford, G. Whitely and W. Gray. Interment was in the Wainwright cemetery.

Mr. Ballentine was born at Lanark, Ont., Jan. 20, 1867, son of Mr. and Mrs. Matthew Ballentine. He lived in Ontario until he was about 25 years of age, when he moved to Arcola, Sask. There in 1905, he was married to Miss Jessie Lee, who survives him. Their son, Jack, and daughter, Helen, also survive and both are living at Fabyan. Other immediate relatives surviving Mr. Ballentine are a brother in Ontario, a sister in British Columbia and a brother in Saskatchewan.

After leaving Saskatchewan, the Ballentine family lived for three years at Sydney, B.C., then moved to Edmonton where they lived 10 years. In 1921 they moved to Fabyan, which has been their home since that time. Many friends and neighbors joined in extending sympathy to the Ballentine family. Floral tributes were sent by the wife and children, Mr. and Mrs. J. A. Thomson, Mr. and Mrs. A. A. Taylor and family, Miss Cynthia Leslie, Mr. and Mrs. W. Johnson and family, the pupils of the Battle Heights school, the Ayvalde U.F.W.A. and the Paschenale Sunday school.

WOMAN INJURED WHEN CARS COLLIDED SUNDAY

Two cars met in a head-on collision Sunday afternoon at the corner of Sixth avenue and the main road going west from town. The cars were driven by Miss Tweedie and Mr. Trainer, Miss Tweedie going east and Mr. Trainer north.

The shock of the collision threw Mrs. Demonecourt, who was riding with Mr. Trainer, against the windshield and her head was thrust through it, cutting her upper lip. No one else was injured. Miss Tweedie's car was badly damaged, the radiator being knocked off, a front tire gone, and the steering wheel snapped. Mr. Trainer offered to pay for the damage done Miss Tweedie's car.

STOCKHOLM—The Swedish government of Premier E. T. Hamrin resigned Monday.

WORK CONTINUES FOR CURLING RINK

In conversation with one of the leading business men, who is doing as much as any one to put the curling rink over, we learned that in launching a proposition involving as much financial investment as this does, there are many things to take into consideration. Such points as a suitable location, the ground upon which such a structure can or should be built, the direction it should face and many more necessary features really make it an extremely difficult matter to settle.

However, we were told that about everything was being done that can be done under the circumstances, and the gentleman expressed himself as quite confident that the project will go over and actual building operation might be in evidence any day. Here's hoping the sincere efforts of many of our leading citizens will soon be rewarded with a fine building on a suitable site, where all the people of the community can spend many happy hours this winter.

MR. SPENCER, M.P. SPEAKS HERE TONIGHT

Mr. H. E. Spencer, M.P., will be the speaker at a men's meeting this evening, Wednesday, at the United church at 8 o'clock. His topic will be "The Financial System of our Social Order." All men are cordially invited to attend and hear Mr. Spencer on this topic of general interest.

Mr. Spencer is here at the invitation of the United Church session. A collection will be taken to meet expenses. It is the hope of the United Church that groups will be formed for the study of this and other topics of social and economic nature to build up a body of informed public opinion, to fit people to take action to remedy or adjust present conditions.

JUDGE DUBUC, EDMONTON HELD COURT LAST WEEK

His Honor Judge Dubuc of Edmonton, accompanied by Court Reporter Thompson, held a Chambers sitting here on Wednesday. He heard and disposed of a number of applications. Naturalizations were also approved for Joseph Sentuk and Michael Martyna. One naturalization hearing was adjourned until the court sitting on October 18.

NEW VENTURE TRIED—STAR CARRIER BOYS

LOCAL BOYS WILL BUILD UP PAPER ROUTES IN CITY

While in Edmonton some time ago, in conversation with the circulation manager of the Edmonton Journal, we confided a plan to him which he approved as a good idea.

This week we are introducing a feature that most towns of importance have in operation, namely, a paper route system, by which boys will be given the opportunity to build up routes in a specified section of the town and make personal delivery of the paper as soon as published. This affords some energetic boys an opportunity to build up a steady income and at the same time solicit subscribers by the week, month or year, thus coming within the range of all. The boys will personally deliver the papers as well as collect, on any plan agreed upon between the boy and his patron.

In view of this arrangement, the Star will greatly appreciate the hearty cooperation of the entire community in assisting the boys in this plan in which they seem to be so intensely interested. The system will go into immediate effect with the publication of this issue.

We wish to thank the boys for their interest and the public for the hearty support which we feel sure you will accord the boys. Of course this plan relates to new subscribers unless otherwise arranged here at the office. Thank you.

EDGERTON CHURCH WILL CELEBRATE TWENTY-SECOND ANNIVERSARY SAT., SUN.

The United Church at Edgerton will hold its twenty-second anniversary services Saturday and Sunday, October 1 and 2. Rev. T. H. Mitchell, professor of practical theology at St. Stephens college at Edmonton, will be the speaker.

Rev. Mr. Mitchell will speak at the Edgerton church Saturday evening and Sunday evening at special services. He will also be the speaker at other churches in the circuit Sunday.

ATTENTION! CURLERS

There will be a meeting of curlers and all interested in curling at the town hall, on Wednesday evening, September 28th, at 8 o'clock sharp. Several matters of importance will be presented for discussion and a full attendance is requested.

S. R. BOWERMAN, Pres. W. J. O'CALLAGHAN, Sec.-Treas.

COUNCILLOR BLACK DEPUTY REEVE FOR NEXT SIX MONTHS

COUNCILLORS MILLS, JONES TO ATTEND PROVINCE MEETING

Naming of the deputy reeve for the next six months, selection of the delegates to the meeting of the Alberta Association of Municipal Districts at Calgary in November, and other business of the municipality occupied members of the council of the municipal district of Gilt Edge at their meeting in Wainwright Thursday. All councillors were present.

Councillor Black was unanimously chosen as deputy reeve for the last six months of the councillors' year. Councillors Mills and Jones will attend the Calgary meeting, with Councillors Beasley and Withnell named as alternates.

Minutes of the meeting are as follows:

Moved by Coun. Beasley—That the minutes of last two meetings be adopted as read.—Carried.

Mr. A. H. Ford, Weed Inspector, reports to Council.

Moved by Coun. Withnell—That weed inspector's report be accepted.—Carried.

Secretary reports, Mrs. Gordon Carl, maternity case (husband working for Mr. A. E. Kett) has been admitted to Hospital No. 17.

Moved by Coun. Mills—That the question of this party's residence be enquired into.—Carried.

Secretary reports Mike Cyr, pneumonia, hired man, has been admitted to Hospital No. 17.

Secretary reports Dr. Wallace made two trips to W. Moore family located on N.W. 16-44-5.

Moved by Coun. Sutherland—That a committee of two Councillors (Mills and Sutherland) interview J. Robinson regarding the rebuilding of the fence between his land and the Jean White quarter.—Carried.

Moved by Coun. Mills—That the Secretary obtain abstracts of title affecting all lands to be offered at Public Auction on the 1st December.—Carried.

Nominations for Deputy Reeve Councillor Black nominated by Councillor Withnell.

Moved by Coun. Jones—That nominations close.—Carried.

Councillor Mills declares Councillor Black duly elected as Deputy Reeve for the last six months of Councillors year.

Moved by Coun. Sutherland—That meeting adjourn until 1:30 p.m.—Carried.

Delegates to the Alberta Association of Municipal Districts Convention.

Moved by Coun. Black—That delegates be Councillors Mills and Jones, alternates Councillors Beasley and Withnell.—Carried.

Moved by Coun. Beasley—That the (Continued on Page Six)

BOXING CARD AT EDGERTON TUESDAY

Flying fists, cauliflower ears, spirits and adhesive plaster will be in order at Edgerton next Tuesday, October 4.

Kirk Snyder of Wainwright has completed arrangements for several boxing matches on that date. These matches will include for the main bout Shorty Russell of Edgerton and Kid Fuller of Edmonton.

Shorty Russell will go into the ring weighing 130 pounds to meet his opponent who will be about the same weight. Both men have been training hard and will be able to give a good account of themselves.

Russell recently fought a vicious 10 rounds with Jack Nicoles of Chauvin to a draw. Fuller has successfully boxed leading light-weights around Edmonton.

Besides the main event there will be three other fast preliminary bouts. Everybody is welcome to take in this fight, and a good time is assured all those who attend.

The temperature of Venus is thought to be about 10 degrees below zero, Fahrenheit, both day and night.

WHISTLE WENT, Crackerjack Meant

Pease porridge cold and pease porridge hot, Some like tin whistles and some do not.

Little Myrtle Taylor of Hope Valley is one of those who do, or at any rate she thought she might. But she found that it really didn't taste half so good as the crackerjack that came with the whistle. The whistle was removed Sunday at the Wainwright municipal hospital. Both whistle and Myrtle are doing well.

CANADIAN WHEAT SETS HUGE TOTAL

FOURTH LARGEST CROP IN HISTORY OF DOMINION IS HARVESTED

WINNIPEG, Canada.—The fourth largest wheat crop in the history of Canada is being harvested. Official Government estimates place the total at 467,000,000 bushels, which is slightly below the figures for 1923 and 1927 and almost 100,000,000 bushels under the all-time record set in 1928. Production was more than 50 per cent. in advance of the 304,000,000 bushels harvested a year ago. On July 31 there was a carrying over of old wheat in the country of 131,000,000 bushels.

Oats produced in Canada this year were estimated at 422,000,000 bushels, barley at 88,000,000 bushels, rye at 12,000,000, and minor crops were sufficient to bring the grand total of Canadian grain to one billion bushels.

Of the wheat, 446,000,000 bushels were grown in the Prairie Provinces of Manitoba, Saskatchewan and Alberta, and only 21,000,000 in the other six provinces. The yield for the entire West was almost seventeen bushels per acre, rather in excess of the average.

Despite persistently low prices this great crop will prove of tremendous economic consequence to the Dominion. It was planted and harvested at the lowest cost for labor and materials in many years. The harvesting gave occupation in the West to thousands of men who had been unemployed and enabled them to provide a small fund for the winter. The farmers had money in hand and its distribution affected a wide circle of activities. The transportation companies in turn have the task of moving the crop to terminal elevator seaboard, involving the employment of many additional men and much equipment.

HIGH SCHOOL ENTERS VERMILION TRACK MEET

Wainwright students will go to Vermilion Friday afternoon to take part in the annual high school field day sponsored by the Vermilion school. Students from several inspectorates will compete for V.A.A.A. cup and the J. A. McCraig cup. Principal H. P. Thoreson is in charge of the Wainwright group.

Those who will compete will include Cliff Bradley, Joe Collett, Wallace Prosser, Edith Steel, Margaret Steel, Grace Wittmann, Doris Gray, Jean Ledley, Eleanor Fish, Jeanne Dunsmore, Lois McKay, Bill Fish, Georgina Wiley, Janet Forster and Dorothy Wilkins. Other students will also probably be entered.

Lima, Peru, has 77,281 apartments in its 10,436 habitable buildings.

New Arrivals

Thomas—Mr. and Mrs. G. F. Thomas of Wainwright are the parents of a baby boy born Thursday, Sept. 22, at the Wainwright municipal hospital.

Carl—Mr. and Mrs. G. Carl of Wainwright are the parents of a baby daughter born Wednesday, Sept. 21, at the Wainwright municipal hospital.

Yeudell—Mr. and Mrs. William Yeudell of Hope Valley are the parents of a baby daughter, who has been named Velma Jean. Mrs. Yeudell was Miss Reba Perkins before her marriage.

CATHOLICS DEDICATED NEW CHURCH, CONVENT SUNDAY AND MONDAY

NOTED VISITORS HERE FOR LAYING CORNERSTONE AND CEREMONIES

Sunday and Monday, Sept. 25 and 26, will long be remembered as real letter days by the Catholics of this community and Edgerton, as the new Catholic church and the new convent were duly dedicated by the archbishop and other Catholic clergy representing the district.

Large crowds of people were in attendance at all the services which began with the laying of the cornerstone for the new St. Joseph's convent at 5 p.m. Sunday. That evening the new Church of the Blessed Sacrament was officially opened and formally blessed by His Excellency, Archbishop H. J. O'Leary of Edmonton, assisted by other prominent clergymen.

Monday morning at 10 o'clock His Grace sang a Pontifical High Mass. This was followed by a luncheon at Edgerton and the blessing of St. James Chapel there. The week-end program closed with a sumptuous banquet Monday evening at the Elite Theater, served by the Catholic Women's League.

Approximately 250 persons were seated at three long tables for the banquet, which was served to music by the local orchestra. During the dinner the spirit of good cheer was greatly in evidence, preparing the way for the able and witty addresses that were delivered by the members of the Catholic clergy.

Father Hugo Doyle, local parish priest, acted as chairman and opened the program with a toast to the King and the Pope. After a few brief remarks he introduced His Excellency the Archbishop who proved himself amply fitted for the high position he holds and exercises in this territory. He proved an able and interesting speaker.

Rt. Rev. Magr. Wm. Lyons spoke on "The Clergy." Rev. Mark Murphy on "Our Guests" and Father Doyle on "Our Town." Other members of the Catholic clergy were also introduced and such an array of wit is seldom gathered in a small group of men. Several laymen were also called upon, including the contractor and a representative of the Knights of Columbus. The whole occasion was judged by all present as a decided success.

R. HERDER OF FAYAN HOLDS RECORD FOR FOUR VERY NARROW ESCAPES

Mr. R. Herder of Fabyan was in the Star office Monday, and in the conversation he related some thrilling experiences which he had gone through during the past year. We do not recall the order in which they happened; all we remember is that it is a plenty to happen to one man in one year.

Included in the other exciting events (4 in number) was a close call which happened five miles west of here last week. Mr. Herder was about to cross the C.N.R. track and a rapidly moving freight train suddenly dashed up the cut and defied his attempts to cross. One of the horses were severely injured and parts of the wagon were destroyed, but Mr. Herder was uninjured. It just seems that some people can have the break of more exciting things and come out alive.

At another time a tin Lizzy in which he and another man were riding down a hill suddenly kicked out the rear bearings and proceeded down the hill at the slow pace of a mile a minute, dashing the two men out in rather an immodest way at the bottom of the hill.

If any one of these things had happened to the editor of the Wainwright Star, we fear the singing would have been all over long ago. But to be serious, it really does pay to be prayed up-to-date for one never knows when something fatal might happen.

TEN DIE OF CHOLERA ILOILO, Philippine Islands—Ten were dead of cholera, one was dying and 34 persons suspected of having the disease were in a hospital here Tuesday.

WAINWRIGHT, ALBERTA SEPTEMBER 28th., 1932

A STORY

O'Hum: Here I am again. In some, perhaps most respects, I feel like forty eleven flat tires. I do not refer to my tummy, for my daughter Elizabeth has certainly been feeding me as much in one meal as I got for myself in a week when batching. No, I don't feel flat in that region where my tummy is supposed to be. I feel flat in the upper story, where my thinker should be located. After paying for that hat, my pocket book is the flattest. After reading what my family has contributed during the last three issues, what can there possibly be left for me to say? They have consented, after much interceding on my part, to allow me a column a week, after all three of them have carefully observed what I have written. O for the wild freedom which was mine when here alone, as I could write anything then and poor Lulu, the linotype operator was afraid to offer any criticism, for fear, well she is a nice little lady, and she wanted to be respectful toward her boss, and Alex, the printer, just smiled, and let it pass. What he really thought, I don't care to know. What the children and young people thought, well, they say that when Columbus would walk down the street, the children would just smile and point to their foreheads, as if to say, "Off in the upper story." That's the way they did me, and I fully realized what it all meant, well it may be sad but true. You know I heard a fellow say one time that the older he grew and the more knowledge he really acquired, the less he realized that he actually knew. Now that may sound like a Chinese puzzle, but it is not a bad puzzle for some of us to be working on. When a boy is about 16 he believes he knows far more than his father and looks upon his dad as a back number, but when he reaches 25 he then realizes that his dad is not so dumb as he thought he was and there might be some chance for him to come out of it. When he reaches 30 he very reluctantly acknowledges that Dad really does know something and then when he becomes a "Dad" himself, he realizes just what a blooming idiot he really has been and wonders if he is as hopeless as he thought his Dad to be. When he reaches 40 he wonders why he didn't jump in the river, as he himself is hopeless. After he is 40 he begins to show evidence of possibilities or is sent to the insane asylum or perhaps should be shot. He should have learned by that time to keep still when his wife talks. If he doesn't have a wife, he sure is hopeless. He will probably spend the next 40 years of his life repenting of the sins committed the first 40. By the time he reaches the age of Mathusalem, he will be full of wisdom, so cheer up! there is hope if you are still in your 80's. Now all you guys that are in the 400 year list, please meet me tonight at the Hollywood theater in the heart of Africa at eleven o'clock and 72 minutes. Now be sure and don't remember.

Another thing I want to say while I am on the subject, is that I will likely be here, seated on my royal throne, and will be pleased to meet you between times, that is between times when I am not busy, and that is all the time. Now after thinking this over and you decide to take immediate action on any of these subjects mentioned or not mentioned, especially if you really want somebody to shoot you, be sure and come down to the Star office and let us check up to see if you owe us for your subscription, for if you do, let me do the shooting, for I get a little revenue on all cadavers delivered and that will help balance your account. I hope to see you next week.

Self-denial is the secret of self-development.—W. L. Watkinson.

It is reported that the editor of the Wainwright Star blew his nose so hard Monday morning that he blew three holes in his handkerchief. Can anybody do any thing about it? That is, can anybody blow harder than a newspaper man? If you have a bigger blower than that be sure and report it to the Star. You might have a bigger Adam's apple or something equally important. Maybe your husband is blowing around to the neighbors about all that he does to make things go around the home or business. If he overestimates his importance, my dear women, just please report it to the editor of the Star, and we will publish the low down. Now don't forget.

If out of your vinder sometime you should look, Und see a man by der name of Zook, Just say to yourself, "Now I tink dot maybe

I will renew my subscription und pay him der fee."

Contributed by the youngest member of the Zook family and its poetic genius (?), the red-head.

JUDICIAL COMMENT

We take our hats off, in the figurative sense, to his honor, Judge L. St. G. Stubbs, of Manitoba, who made some observations on the administration of justice, in Winnipeg recently. His honor's remarks have aroused consternation and condemnation on the part of the crown law officers of the court. It is doubtful if the ordinary run of people will be resentful.

Judge Stubbs said in sentencing two youths for breaking and entering: "We can expect a lot more of this sort of thing unless young men are put to work or allowed to enter educational institutions. Our youths will become demoralized and degenerate."

Now is there anything unreasonable or irrational in that remark? We think it is a very common sense observation to make and a truthful one.

In another case a cashier was charged with theft from his employers. The judge referred to another recent case involving theft of a much larger sum and said: "As the Court of Appeal has held the term of eighteen months in a proper sentence for a theft of \$284,177.18, what would be the proper sentence for this man? I am going to acquit you."

His honor may have gone a trifle too far in this case, but at that there was a lot of good sense in his line of reasoning. There has been altogether too much disparity in the way the courts treat wealthy criminals who can hire expensive lawyers and poor criminals who cannot do so. The millionaires, Solloway and Mills get away with immense sums of money. They were given a few months at Lethbridge, but some poor neglected boy steals a few dollars or a few articles of merchandise and he is sentenced to several years in penitentiary. It may be 'justice' but it is not fair.

So we say "Hear, hear!" to Judge Stubbs' remarks.—The Hanna Herald

Ramblin's

By M. M. Z.

No Hum, another week, another bunch of.....

And you ought to have seen the aggregation (damn good word, if you ask me) of boys that we had here at the Star this morning. Some good gems passed out, and some caught.....one of the boys lives in two houses.....and is in the third or fourth grade he guesses.....another comes in with tears in his eyes.....reason: hit in the eye with a crab apple.....still others got licked in school quite regularly.....and some even at home.....for shame.....one little fellow got licked so many times that he can't remember all of them.....and in sure, that he shouldn't have got them.....sure.....neither should I when I was a kid.....but I did.....some were bashful.....some not so.....some impatient.....some had all day.....some wanted to work for the money.....I don't blame them.....and some just wanted to work.....one little enterprising fellow already had a list made up.....and he got one of the jobs.....wish we had a job for all of them.....but what would we do then.....and Dad, the boss.....says that I gotta earn my wages.....and by the way I got my new tires.....but the sad part is that I had to pay for them.....or rather I haven't yet.....but maybe I will some time.....at least that's what Foster the Chevy garage man hopes.....and I hope that he hopes.....that I hope that I can pay.....and now comes the weather report for this week which is "s-s-a-i-i-i".....except yesterday.....and today.....which makes me glad that I'm alive.....aren't you sorry.....which reminds me.....

"Hic, hic hurrah" says a voice and we cast our optics on the sunny side of the street. "Why in (hic) H.... don't you get outta my road (hic)," says he, doing a ring-around-the-rosy around the parade of white-washed stones by the depot.

And the week's worst comes from me. Says the wife, "I at least have some manners," to which I replied quite unthinkingly, "You should have, you never use them!"

And Armstrong flooring Dad who was complaining that the quilt he bought was too short. Says Armstrong, "All you have to do is cut a piece off one end and put it on the end that's too short."

And again Armstrong scores on Dad who was complaining that the cabbage head was too large. Armstrong comes along with the suggestion that that little matter can easily be solved by using what is wanted and throwing away the rest. Which might be of some help to the housewives with too large a head of cabbage in the family.....

And speaking of cabbage, I have had cabbage shoved at me under more disguises since I got married than I ever knew existed.

And here is something that I lifted from some other paper that I thought I might pass on for the benefit of my creditors.

"A firm of Manufacturers in the West Riding of Yorkshire having written to one of their creditors, claiming settlement of an account long overdue, are said to have received the following reply

"Every month we make a pile on our table of all accounts to be met, and from this pile we draw at random six statements which we pay. If we have any more of your damned impudence, you won't get in the shuffle next month end."

And with that off my mind I guess I'll shuffle off and go eat. See you next week.

"Star - Dust"

Teacher: "My father had money, is the past tense. Now, if I said, 'My father has money,' what would that be?"

Bright Boy: "Pretense."

"Was your late mistress surprised at your leaving?"

"Oh, no mum. She knew about it before I did."

AN APOLOGY

The editor wants the reporter to say that he is sorry he said Mr. J. Thompson was a big crook and he is and he can punctuate this any way he wants to.

Odd—but TRUE

THE STRONGEST

BOLT OF LIGHTNING, WITH ALL ITS DESTRUCTIVE POWER, WOULD BE WORTH LESS THAN 5¢ IF IT COULD BE HARNESSSED FOR WORK

ANDERSON—
THE MOST DREADED ENEMY OF THE SOUTH SEAS PEARL DIVERS IS THE GIANT CLAM, PAHUA, WHICH CAN HOLD A MAN UNDER WATER INDEFINITELY

AT EXACTLY THIRTY-TWO DEGREES WATER WILL STAY A LIQUID AND ICE WILL REMAIN FROZEN

Do You Remember When - - -

TWENTY YEARS AGO

"A number of degraded rascals who stopped here at the depot restaurant for lunch the other day caused quite a commotion and were responsible for much damage done. They began by complaining about the cost of their meals. Mr. Freebody called their bluff but none of them stood up. As they boarded the train to resume their way to the front, several stones were hurled at the restaurant just missing some ladies standing near by. However, the windows did not escape so nicely. Several were broken. More damage would undoubtedly have been done had not Mr. Freebody taken the stand he did."

The school board has put in a vote for pictures of interesting life for studies in the schools. Mr. John Gano complied with a group of pictures from the buffalo park which caused no end of comment. Some of the pictures were sent to foreign parts because they were rated as the best pictures ever taken of the buffalo.

The town has been surrounded with smoke for several days past as a result of a disastrous prairie fire which swept over the Peace River country. Several days the sun was almost completely obscured.

Chicken season opens on Tuesday next. This period, which will last for thirty days only, has been anxiously awaited by local sportsmen, who have feared the strong arm of the law, when a tempting shot has been presented.

One of the best crops in this vicinity is being harvested by Mr. E. L. Brock, a prosperous farmer near Greenshield, who, it is stated, has 75 acres of the best wheat in these parts. He paid \$3.50 per bushel for his seed.

President James, of the board of trade assures us that a moving picture show will be enjoyed here this winter and that an immediate start will be made to have the place of entertainment in operation at a very early date.

TEN YEARS AGO

Sept. 27, 1922

Mr. Max Uhlick, while driving home last Wednesday night with a load of hay, was catapulted into a ditch at the side of the road and the load of hay fell on top of him. The ditch contained water and it was in this that neighbors found him shortly after the accident. He was taken to the Edmonton hospital where he is progressing rapidly.

A pretty little wedding was solemnized at the home of Mr. and Mrs. P. Springer for their daughter, Louisa Margaret, who was given in marriage by her father to Mr. Charles Franklin Ham. The couple left on the evening train to spend their honeymoon at Raymond, Wash., from which place they will travel to Sacramento, Calif., where they will make their home.

Next March the province will close all remaining export liquor houses. At the last session of parliament legislation it was decided that these places should be closed, but because they have paid taxes up to March that time was set for their closing date. It is possible that the Saskatchewan government will take similar action at the same time as Alberta.

The Wainwright Oil Development Company has now secured permission to start selling shares. This stock will be sold for the purpose of further development of the well, where indications, according to the drillers, are most promising.

A number of Edgerton and Chauvin brothers of the I.O.O.F. were present at the local lodge on Monday night when Mr. H. Pigeon was "given his bumps on the goat."

ONE YEAR AGO

Sept. 30, 1931

Visiting Wainwright as the personal representative of Archbishop O'Leary of Edmonton, Rev. Monsignor Neilligan last Sunday took charge of the service in the morning at St. Luke's church when High Mass was celebrated. In the afternoon a procession was driven to the new convent where the blessing of the institution was conducted by the solemn benediction given in the sisters' chapel in the building.

Mr. W. J. O'Callaghan who recently took over the managerial duties of the local branch of the Royal Bank was given a handsome presentation from his many friends in Stettler where he was a resident before coming to Wainwright. The evening took the form of a smoker with refreshments, and the entertainment was mostly musical. The gathering broke up by singing "Auld Lang Syne."

The former superintendent of the Wainwright hospital, Miss Ida M. Huxley, now of Red Deer, was given in marriage to Rev. Robert Coulter of Calgary last Tuesday. Miss Huxley was the superintendent of the hospital at the time of its opening and until about one year ago.

Mr. Lucien Lapierre of Greenshields was brought to the hospital last week suffering terrible pain from ergot poisoning which he contracted while grinding rye chop in a closed granary. For a time his recovery seemed doubtful but the medical and hospital facilities which were available probably saved his life and he is now fully recovered.

Quite a number of our local folks were "up in the air" on Sunday. The occasion was a passenger plane from the city.

A Poem A Week

SOLD!

He chugged up to the toll gate
As all old cars do chug;
A look of baffled rage was plain
Upon his weary mug.
"One dollar for the car, my man,
The passengers go free."
The driver, wife and kids stepped out.
"Sold, buddy! Here's the key."

One of the greatest tragedies of the time in which we are living is to see tens of thousands of men and women who are content with years of monotonous and uninspired toil, who seem to have no object beyond the actual struggle for existence. They seem to be living without a sense of a great objective, something utterly worthy of one's very best; some purpose great enough to reach into the hidden springs of the personality and call forth those responses which only a worthy purpose can call forth.

It is surely a fact that no life has realized all of its possibilities until it has been gripped by a compelling objective. One of the things that helped Christ to remain so steadfast was that. He could say: "For this cause came I into the world, that I might bear witness to the truth." One of the factors which bolstered Paul's failing strength was that he had a clearly formulated purpose: "This one thing I do." If any life is

GRAND MISTRESS OF L.O.D.A. VISITED HERE LAST WEEK

EDMONTON WOMAN INSPECTED LOCAL ORGANIZATION LAST TUESDAY

Mrs. Fred Botzford of Edmonton, right worshipful grand mistress of the L.O.D.A., made her annual visit to the local organization Tuesday evening of last week. Mrs. Botzford was in Wainwright several days and visited other L.O.D.A. chapters in nearby towns.

The first degree was given at the meeting Tuesday evening in Wainwright, and two new members were admitted to the lodge. About 40 members were present for the business session and ritual. At the close of this session the chapter presented Mrs. Botzford with a hall mirror.

After the business meeting a supper was held. Tables were decorated with cut flowers, and a pleasant social time was enjoyed by the many guests.

Mrs. Botzford arrived in town Tuesday from Edmonton to become the guest of Mrs. G. Carlson. She also was a guest during her Wainwright stay of Mrs. Hackett and Mrs. Fieldhouse. Wednesday evening she went to Aurora to inspect that chapter. She was accompanied by Mrs. P. Walker and Mrs. G. Carlson. Friday Mrs. Botzford left for Edmonton and other points where she will inspect the local chapters.

The Women's Auxiliary of the United Church announces December 3 as the date for its bazaar this year.

HOSPITAL STAFF HAD PICNIC LAST THURSDAY

Thursday evening the day nurse staff of the municipal hospital and the kitchen staff went out to King's park for a picnic and wicker roast. The picnic was given in honor of a member of the kitchen staff who is to be married soon.

Miss May Otterholm of Edmonton was the honored guest at a party given last Thursday at Edmonton by Mrs. E. J. Adams. The occasion was Miss Otterholm's fifteenth birthday. Several guests were present to enjoy an evening of games. Lunch was served.

TREASURE HUNT GIVEN BY U.C. YOUNG PEOPLE

The Young People of the United Church planned a treasure hunt Tuesday evening for one of their social events. The hunt was expected to take the young people over most of the town and part of the country and probably did. It started at the church and ended—?

Bread prices in Scotland are being reduced.

Thus and Such

By So and So

Just another case of women's rights. The two men on this newspaper each have a column to write, so we think it only fair (to us if not to the readers) that the two women at least have a column between them (of course, to be fair to the readers each of the women should have two columns to write). So "Thus and Such" will be written by "So and So" or maybe "Here and There" will be written by "Hither and Yon" and so on, far into the night.

We at the office are feeling very lethargic, lackadaisical, lachrymose and lenient, or in other words just plain lazy. It must be this Indian summer spring fever, if you get what I mean. We can now step out of our door without being whirled halfway down the street by some stray piece of breeze. However, we feel pessimistic. We'll bet the worst is yet to come.

Hey yeppey hoopy—and we're off in the little brown and yellow buggy headed for parts unknown. Not that we don't know where we're headed for—the parts unknown is the part of us that is going to arrive at the destination, still retaining its original form. We bounce, we jolt, we jog. Then we try the other fellow's side of the road and we jog, we jolt, we bounce. Then we get caught in a rut in the middle of the road and repeat our repertoire.

It's really awfully exciting and as good as a ride on a roller coaster that have just dried after being rained on and before the grader has been over them. To ride over them at 60 miles an hour was every bit as exciting as pulling our first biscuits from the oven.

Coming Events

Next week in this column will appear a debate of Thus versus Such on indoor sports. What is your favorite indoor sport? Crocheting, bridge, radio, high five, the annual bath, or listening to why the husband forgot what you told him to get? The debate will be a fight to the finish. We don't know yet what it's going to be about, but anyhow it will be a heated argument.

Says a prominent scientist. "A husband is a gift from heaven to women." That doesn't even need any comment.

However, I can't help asking, as one woman to another, whether your husband is always good-humored at breakfast or whether he tracks in mud just after you've scrubbed or grips about the meals or how much you spend on the house or how nice-looking that girl over there is. It's quite obvious that the above-mentioned scientist was a man, and just as egotistical as all men.

Have you ever noticed that exodus

of children about twelve o'clock every noon, how they're all in such fine spirits? And then the difference when they travel the other direction about one o'clock? Wonder what's the reason?

The above column is mostly by Thus and partly by Such—or maybe it's mostly by Such and partly by Thus. We never can seem to remember whether E.S. is Thus or Such, and whether L.E. is Such or Thus. Not that it matters to anyone except Thus and Such.

The question marks are in wonderment as to why anyone ever wrote this column. Or read it. Particularly the latter. But try again—there's always the chance that it might improve.

"THUS and SUCH."

BISHOP IS HOPING FOR CHURCH UNION

CALL FOR WORLD CHURCH ISSUED AT LONDON GATHERING

LONDON.—A call for a reunited world church, taking in all Christendom, was sounded Tuesday night by the Anglican bishop of London, speaking at a gathering of thousands of Methodist representatives who earlier in the day had effected a union of the three branches of their church in Great Britain.

"I hope I shall live to see another gathering in Albert Hall (where the meeting took place) when, without any reabsorption of one with the other, a great united church, with the faith and order of the Apostolic church, shall advance with new power and conviction to convert the world," said the Bishop of London, Right Rev. Arthur Foley Winnington-Bugram.

"And why confine this reunited church to Wesleyans and the Church of England? Why should not the Baptists, Presbyterians, Greeks, Old Catholics and at last a reformed Roman Catholic church all join with the molten glory of one whole Catholic church throughout the world?"

"While, therefore, I welcome this reunion of the Methodists and wish you Godspeed, I look upon it as only a prelude to the greater reunion in days to come."

HARVESTING REPORTED BY BANK OF MONTREAL

Harvesting operations in the Prairie Provinces which had been proceeding rapidly under favourable weather conditions are now delayed by fairly general rains and by snow falls in parts of Alberta. Some reduction in grades may result. It is estimated that from 50% to 60% of the Western wheat crop has been threshed. A preliminary estimate of the Dominion Bureau of Statistics places the total wheat crop for the Dominion at 467,150,000 bushels, an increase of 163,000,000 bushels over last year. In Quebec a cereal crop above the average is now being threshed. Harvesting of a good tobacco crop is under way. Apples are plentiful and roots promising. In Ontario threshing is well advanced of grain crops that are proving satisfactory in both yield and quality. Corn, peaches, grapes and tobacco are all yielding good crops. In the Maritime Provinces the weather has favoured harvesting operations and an average crop of cereals is expected. In British Columbia threshing of a good average crop of cereals is well advanced and tree fruits continue to give good promise.

Alberta: Northeastern Area.—Wheat threshing is about 50% completed; the average yield is from 15 to 18 bushels grading high. Early returns of coarse grains vary considerably. The average yield of oats is estimated at 20 bushels, barley 15 bushels. Southeastern Area.—Threshing is about 75% completed. The wheat yield is estimated at 13 bushels mostly contract grades. Western Area.—About 60% of threshing is completed in the southern section but elsewhere it has just commenced. Early returns of wheat average 25 bushels of good grade. Cutting of coarse grains is almost completed but there has been little threshing to date. A record sugar beet yield is anticipated.

SCHOOL FAIR SUCCESS IRMA.—Second annual school fair at Irma proved successful with excellent entries. Eight schools of the district were represented and exhibits ranging from garden produce to livestock and handicraft were shown.

LOCAL NOTES

Mrs. E. Felland of Edmonton is visiting her husband in Wainwright this week.

We understand that Constable Gair has been promoted to have charge of the Two Hill barracks.

The St. Andrews Presbyterian Ladies Aid society will hold its anniversary supper Tuesday evening, Oct. 4, at the Elite theater. All are invited.

Mr. and Mrs. Fehleigh of Edmonton were in Wainwright Saturday as guests of their sister-in-law, Mrs. P. J. Lepper. Mrs. Lepper accompanied them back to Edmonton, returning to Wainwright Tuesday.

Mr. P. D. Laird of this city has been seriously ill for several days. The illness started with a slight cold but gradually grew much worse. We hope to report him much improved next week.

Otto Dahlgren, of Pontiac, Mich., who has been visiting relatives and friends here for the past month, left Monday morning for Humboldt and Minneapolis to visit relatives there before returning to Pontiac. His mother, Mrs. Dahlgren, went with him to spend the winter in Pontiac. Mr. Dahlgren found the worst roads of his trip in Saskatchewan.

Miss L. Page, matron at the Wainwright municipal hospital, who has been spending a month's vacation at her home in Picardville, has been detained at her home on account of the illness of her mother. She will not be able to return to her duties at the hospital by October 1, as she had planned. Miss Mabel Prosser is acting as matron during Miss Page's absence.

Word has been received by the Zook family that Miss Mildred Zook, who is a graduate nurse, in charge of a ward in the University hospital at Ann Arbor, Mich., will be here the first of next week, to spend her vacation of a month. She is the only sedate and precise member of the Zook family, and all of the family will have to watch their step for a month, at least.

This issue calls for a meeting of curlers and all interested in curling, at the town hall on Wednesday evening, September 28th, at 8 o'clock. The members of the committee have been working since spring on the proposition of a new rink and before taking final steps they desired to submit their plans to a full meeting of the curlers, so that everything could be discussed and the necessary authority given to go ahead with the proposition. They invite and request all members and prospective members to be in attendance.

Rally day services will be held Sunday, October 2, by the Wainwright Gospel Mission at the L.O.O.F. hall, according to an announcement by Mr. Herbert Walker of the mission. Morning services will be held at 11 a.m., afternoon services at 2 p.m. All are welcome.

CHANGES RECOMMENDED IN RAILROAD MANAGING

OTTAWA.—Appointment of a commission of three trustees in whom shall be vested all the powers of the present board of directors of the Canadian National Railways is one of the outstanding recommendations of the commission on railways and transportation.

A summary of the report was made public early this afternoon by Prime Minister R. B. Bennett.

The annual budget of the Canadian National system would be under the control of these trustees. Appointments should be made by the Governor-in-Council, and vacancies be filled from a panel of eight named by the remaining trustees.

Imposition of a statutory duty upon the board of directors of the Canadian Pacific Railway and also upon the trustees of the Canadian National that they "adopt as soon as practicable such co-operative measures, plans and arrangements, as shall, consistent with the proper handling of traffic, be best adapted to the removal of unnecessary or wasteful services or practices," is also recommended.

Unwarranted duplication in services or facilities must be eliminated. Joint operation of all such properties which may be conveniently and without undue detriment to either party be so operated is urged.

Church Notes

So far as I know there have been no calls regarding bibles who did not attend church last Sunday.

We observed a large number of cars surrounding the Catholic buildings and we learn that the attendance was very good.

The Rally day service at all the churches were well attended and some of the services that we attended were quite interesting.

The special music and stories related at the United church were much enjoyed.

The attendance at the Trafalgar schoolhouse in the afternoon was quite gratifying and the people of the neighborhood should avail themselves of the Sunday school that will be conducted every Sunday afternoon at 3 p.m. throughout the winter.

We were just noticing the Sunday activities of Rev. Bateman and Rev. Huston, and it is a good thing that these men are young and energetic, as the number of places they visit every Sunday demands physical as well as spiritual endurance.

It is reported that Rev. Brooker delivered another one of those master sermons Sunday night.

The reports from the mission that meets at the L.O.O.F. hall every Sunday afternoon at 3 p.m. indicates that the cause which they represent is making considerable progress.

POTATO HARVEST IS A DISAPPOINTMENT

Indications are that the potato crop of Western Canada and Ontario will not be as heavy as in 1931. Very dry weather at critical stages has had its effect in both Saskatchewan and Alberta and the marketable crop from the prairie provinces will be smaller than a year ago and of poorer quality, with the exception of that from the Lethbridge district. This information comes in the September survey of the Dominion bureau of statistics, just issued.

Hope Valley Notes

By Mrs. W. H. Roach

Mr. and Mrs. Wm. Yeudell (nee Reba Perkins) are the proud parents of a baby girl. We wish Velma Jean a long and happy life.

A number in the district attended the Sunday School Rally in Pawsey's Hall, Edgerton, on the 23th.

Mrs. Albert Wilson has returned home after a very pleasant visit with relatives and old friends in Southern Saskatchewan.

Miss M. E. Gorum, our former teacher, is planning to begin a course at the University in Edmonton. This will include practical training at the University Hospital, as well as lectures on the science of nursing at the University.

Little Myrtle Taylor has been at the hospital in Wainwright several days, following a minor operation Sunday. Myrtle swallowed a tin whistle which came with a box of crackerjack, and the whistle had to be removed by a doctor.

Our school is now in full swing for the fall term. There are around thirty on the roll, with Mr. Norman Armstrong of Vermilion in charge.

Greenshield News

By Miss L. Morrison

Greenshields United Church Service, (Rev. Huston, Minister)—Services held in Greenshields School house, as follows: Sunday School at 2.30 p.m., followed by preaching at 3.30 p.m.

Six girls attended the Canadian Girls in Training meeting in the hall Saturday afternoon. The program included music, handwork and a story.

The special Rally day program was enjoyed by a good congregation Sunday at the Greenshields school. Rev. W. J. Huston of Wainwright, the pastor, was in charge of the services. Beautiful flowers were used abundantly in decoration.

Rev. Luck was a welcome guest at the Vallean home this week.

A good time is assured at the dance in Greenshields hall billed for Friday, Sept. 30.

Wheat gained 1c in Greenshields last week, only to lose it again, and closed at the price of 31½¢ for No. 1 Northern. Other closing prices were: oats, 2 cwt., 13c; barley, 3 bwt., 11c; rye, 2 cwt., 13c. The Pool elevator reports a satisfactory volume this year with more of a trend toward pooling this year than last year.

Business men of Japan are turning from rubber-soled shoes to leather shoes.

Edgerton Ripples

By Rev. W. Bainbridge

The twenty-second anniversary services of the United Church of Canada, Edgerton circuit, will be held October 1st and 2nd. The special speaker will be Rev. T. H. Mitchell, M.A.S.D., D.D., professor of practical theology, St. Stephens college, Edmonton. Dr. Mitchell will speak in Edgerton United church Saturday at 8.30 p.m. on, "Where do we go from here." There will be special musical numbers and lunch will be served. Admission adults 25c, children 15c.

Sunday Oct. 2 the following will be the order of service at which Dr. Mitchell will preach: 11.15 a.m.—Rosemyne Schoolhouse. 3 p.m.—McCafferty U.P.A. Hall. 7.30 p.m.—Edgerton United Church special music by the choir at the evening service.

Harvest home services were held in the St. Mary's Church, Edgerton, Sept. 25. A large congregation enjoyed a service very much in keeping with the season.

Mr. H. E. Spencer, accompanied by his son Elvin, left for Edmonton Saturday. Elvin is to attend the University of Alberta where he is registered in a science course.

The town is "all set" to welcome the dignitaries of the Roman Catholic church who are expected here at noon Monday. A luncheon is being prepared in the Pawsey hall at which there is likely to be a large crowd.

Rally day services were held in the town hall yesterday. The hall was well filled and a very fine service was enjoyed by all. This is the first of its kind held in this town and it is hoped that this service will now be repeated annually.

Threshing operations have now been resumed in this district, and should terminate this week if the weather-man sees fit.

Rev. Ricker and Rev. Bainbridge left here Monday for a business trip to Alliance, and expect to return to their respective duties Thursday.

A surprise party was arranged by Mrs. E. J. Adams last Thursday in honor of the fifteenth birthday of Miss May Otterholm. The guests were Miss Hithnell, Misses Saidie, Gretta and Florence Wilkinson, Dorothy and Margaret Krimbill, Doris Kobynsky, and Mildred Adams, and George and Sonny Wilkinson, Donald Kobynsky, Fred Johns, James Mc-Turk, Norman Adams, George Otterholm, Jr. Lunch was served and a huge decorated birthday cake was cut by Miss Otterholm. Games were the order of the evening. The guests reported a very enjoyable evening.

A boxing card has been arranged at the Edgerton hall next Tuesday evening. Kirk Snyder of Wainwright is making the arrangements.

Fabyan Briefs

By H. MacDonald

Fabyan United Service (Rev. W. Huston, Minister). — Sunday School at 12.30. Preaching at 1.30.

Mrs. Fred Cartier is in the local hospital where she has gone for an operation.

We are very sorry to hear of the sudden and sad news of the death of Mr. John Ballentine, who lived 13 miles from Fabyan. He was taken to the Wainwright hospital Friday and passed away Saturday. Details are given in a story on the front page this week. The entire community wishes to extend its deepest sympathy to Mrs. Ballentine and family.

Mr. and Mrs. H. MacDonald and family motored to the city Saturday. On their return they stopped at Kelsey and Hardisty to call on several friends and relatives.

Threshing in the Fabyan community is coming to a close. The top yield has been from 15 to 20 bushels per acre. The wheat has mostly been grading No. 1.

Mr. J. Crawford of the Pool elevator is having the approaches to the elevator repaired.

Street grain prices for the week ending Monday, as supplied by the Searle Grain company, J. F. Norstrom, agent, were:

| Day | Wheat | Oats |
|-----------|-------|------|
| Tuesday | 31 | 13 |
| Wednesday | 32½ | 13½ |
| Thursday | 31½ | 13 |
| Friday | 31 | 13 |
| Saturday | 31 | 13 |
| Monday | 31½ | 12½ |

Prices Monday included 10½¢ for barley, 11c for rye, and 57c for flax.

Mr. R. Davidson was called to Edmonton this week by the sudden illness of his mother.

Mr. D. W. Beaulieu, who is drilling a well on the Santes farm, will have to leave for Ottawa to be there for the opening of parliament Oct. 6, as he is an M.P. from Brandon, Man. His son and wife came last week to look after the oil business during his absence.

Heath Breezes

By W. N. L'Heureux

Owing to the heavy rains which fell last week, threshing operations have been at a standstill since that time. One machine started to thresh Saturday but the grain was still soft. It will require another couple days of dry weather before it is again fit to thresh.

Mr. A. H. Muddle who has been agent for the Northern Elevator for the past three years has resigned this position and is being replaced by Mr. Mel Dickson.

Mr. and Mrs. E. L. B. McLeod motored over to Andrew, Alberta, to spend the week-end with their daughter, Mrs. A. Brower.

Mr. J. Cummings is a business visitor in Edmonton over the week-end.

Mr. W. Fell of Edmonton was a visitor in the district last week-end on business.

It has been reported to The Star that Mr. Victor Hedlund, who has farmed in the Heath district for 20 years, has sold his farm to Johnnie Hedlund and, accompanied by Eric Olson, is leaving to make his home in Prince George, B.C.

Wheat and oats prices, as given by the Bawlf Elevator company, for the last week were:

| Day | Wheat No. 1 N. | Oats 2 cw. |
|-----------|----------------|------------|
| Wednesday | 33 | 13½ |
| Thursday | 32 | 13 |
| Friday | 31½ | 13 |
| Saturday | 31½ | 13 |
| Monday | 32 | 12½ |
| Tuesday | 32 | |

Monday prices were: barley, 3 cwt., 10c, having dropped from 12½¢ a week before; rye, 2 cwt., 14½¢; flax, 1 cwt., 56c.

Clear Lake Waves

By Mrs. W. J. Bartlett

Mr. Roderick Foster of Edmonton has been spending a few days with Fred Mockford of Clear Lake.

Potato digging has been general this week and while some crops were good others were greatly damaged (Continued on Page Eight)

Gilt Edge Echoes

By Miss J. Plaxton

Gilt Edge Service (English Church)—Services next Sunday at 3 p.m. and every other Sunday at 3 p.m.

Threshing commenced again in the Gilt Edge district Monday, following a week's lay-off from the continued rainy weather.

Leslie Bath of Gilt Edge, who is in the Misericordia hospital in Edmonton, is improving. We hear that he is now able to sit up.

Mr. W. J. Plaxton and family motored to Vermilion over the week-end.

COUNCIL, MUNICIPAL DISTRICT OF VALE MET SEPTEMBER 17

REGULAR BUSINESS TAKEN UP WITH ALL COUNCILLORS AT THE MEETING

A regular meeting of the council of the municipal district of Vale, No. 302, was held in the municipal office Saturday, Sept. 17, commencing at 8.45 p.m. All councillors were in attendance, with Reeve E. B. Wahlstrom presiding.

Moved by Coun. Jackson—That the minutes of the previous meeting held on August 20th, be adopted as read.—Carried.

Moved by Coun. Castle—That letter from the Debt Adjustment Board, advising their acceptance of the offer to compromise the Seed Grain Lien against the E-13-42-wth, in the sum of \$36.71, be filed and that a cheque be issued for that amount.—Carried.

Moved by Coun. Ker—That correspondence from the Soldier Settlement Board, re collection of Settler's taxes be ordered filed.—Carried.

Moved by Coun. Wahlstrom—That circular letter from the Department concerning the 1931 seed grain liens be filed as there is only one outstanding in this district.—Carried.

Moved by Coun. Brown—That C. C. McPeak be forwarded a copy of the letter received from the Department in connection with the relief now being furnished him by the district.—Carried.

Moved by Coun. Ker—That a copy of Mrs. McCafferty's letter to the Council in connection with her relief be forwarded to the Dept. of Municipal Affairs for their information.—Carried.

Moved by Coun. Castle—That a policy in the sum of \$1000.00, be placed with the Insurance Company of North America, to cover risks in connection with safe burglary, etc.—Carried.

Moved by Coun. Jackson—That the annual fee of \$20.00 be forwarded to the Secretary of the Association of Alberta, Municipal Districts.—Carried.

Moved by Coun. Jackson—That Coun. Castle and Reeve E. B. Wahlstrom, be appointed as delegates of this district, to attend the Municipal Convention to be held here in Calgary on November 16-17-18.—Carried.

Moved by Coun. Ker—That Coun. Brown be appointed as a proxy in the event of either of the delegates being unable to attend.—Carried.

Moved by Wahlstrom—That By-Law in connection with Indigent agreement, as between this District and the Wainwright Hospital District No. 17, be read for the third time.—Carried.

The By-Law was then read. Moved by Coun. Castle—That this By-Law be declared finally passed and that the officials of the District endorse their signatures thereon.—Carried.

Moved by Coun. Jackson—That the Monthly Statement as submitted by the Secretary, be received and filed.—Carried.

Moved by Coun. Brown—That the following accounts be ordered paid:—Kaempfe Chemicals Ltd., on account \$50.00

| | |
|--|-------|
| S. E. Bishop, on account of Weed Inspection Work | 25.00 |
| Wainwright Star, advertising Alberta Gazette, advertising Western Mun. News, supplies | 7.35 |
| D. Pawsey, stamps, etc. | 6.50 |
| Wainwright Hospital Board, Mrs. Peterson case | 17.50 |
| Pay Sheet No. 17, Div. 5 | 22.12 |
| Pay Sheet No. 18, Div. 3 | 19.00 |
| Moved by Coun. Jackson—That Coun. Brown continue to act in the capacity of Deputy Reeve for the ensuing six months.—Carried. | 31.50 |

Moved by Coun. Ker—That Coun. Jackson and Mr. Alex. Plater, be appointed to act as appraisers on the N.E. 19 and S.E. 30-43-5-wth, and report back at next meeting.—Carried.

Moved by Coun. Jackson—That we do now adjourn.—Carried.

COUNCIL FOR DIST. OF GRIZZLY BEAR MET AT WILDMERE

A. M. NICHOL NAMED DEPUTY REEVE FOR NEXT SIX MONTHS

The council of the municipal district of Grizzly Bear No. 452 met at Wildmere Saturday morning, Sept. 17. Reeve Shane took the chair, with Councillors Nash, Young and Tesman in attendance. Minutes of previous meeting were read and approved and the bank statements were submitted.

E. H. Benner, weed inspector, waited on the council and made report as to work done.

The matron of Kolokreeka school home gave notice that the two boys, Eddie and Leonard Green, had been transferred to the Radway school home, to start school there Sept. 1. Correspondence was submitted from the provincial health department regarding contracts between the local hospitals and the municipality, further action being postponed, pending approval of the agreements by all of the hospitals.

On motion of Mr. Nash, it was agreed to allow an extra \$100 for improvement of road way between sections 15 and 22-48-5. Correspondence was submitted from the department regarding a complaint from a ratepayer in Div. 2 about his road-work of 1931, and council again endorsed their rule that road work be credited on current taxes. A memo from the debt adjustment board intimated that a certificate from the board had been granted to a ratepayer in Div. 2. Report made on payment of \$31.60 by the workmen's compensation board to T. Hall, injured when doing road work in Div. 4.

Letter from a solicitor was read making request that the council reconsider their payment to J. Rayson in 1925 of \$112.50 for 3, 17 acres of land taken into a road deviation from the N.W. 24-47-4-4. Request refused.

Note made of 1931 tax notification list as advertised in Gazette of August 31, with sale proposed for Nov. 5. Letters were submitted from the Royal Alex. hospital, regarding two accounts totaling \$660. Mr. Morrison, solicitor, was in attendance, and was consulted as to these and other matters, and council agreed to a settlement by payment of \$294.

Agreed to allow a further \$12 for supplies to family of Mr. D. McGowan, also to pay for medicine prescribed for him by doctor.

Mr. A. M. Nichol appointed deputy reeve for next six months.

Memo from Mr. D. W. Detwiler asked for payment of \$25 per acre for land taken into road way. Council agreed that \$15 was fair value and if not acceptable suggested that parties should agree to arbitrate. Mr. Nash reported that the S.E. 22-47-4-4 was under cultivation this year, and on motion it was agreed to cancel wild land tax for 1932. Secretary reported that \$3920 would be required for payments to schools this month, and was empowered to borrow as required.

After two o'clock council sat as a court of revision on assessments, some 20 appeals being dealt with, in two cases decision was for no change. In two cases area and valuation were reduced, and in 16 appeals reduction was made, consideration of seven others being held over until next council meeting.

Road work sheets were passed for Div. 1, \$54, Div. 3, \$5, Div. 4, \$136.50, \$226, \$60.90, \$273.

Accounts submitted and ordered paid were:

| | |
|--------------------------------|---|
| Alberta W. Lumber Co., \$24.15 | Messrs. Tory, \$10.95; A. C. Armstrong, \$12.15; Richardson Road M. Co., \$1.60; Hannah Hardware Co., \$3.70; Wainwright Pharmacy, \$5.70; E. H. Benner, \$32.05; F. R. Nash, \$6.75; J. W. Young, \$3.40; G. S. Shane, \$5.40; R. Tesman, \$5.80; J. H. Wilhite, \$4; N. May, \$54.90; S. Samuelson, \$5; W. Housing, \$6; W. Twaddell, \$6.80; Sawyer-Massey Co., \$398.40; R. Alexandria Hospital, \$294; Autumn Leaf School, \$50; Battle Creek, \$175; Baaswood \$325; Battleview \$230; Ganton, \$225; Gilles, \$95; Herbert, \$200; Koknac, \$100; Optimist, \$90; Preston \$240; Thorncliffe \$250; Triangle \$250; Turkey Hill, \$80; Union, \$115; Vanest, \$275; Watson, \$250; White Cloud, \$125; Wildwood, \$300; Willowby, \$180; Woodvale, \$350. |
|--------------------------------|---|

pointed to act as appraisers on the N.E. 19 and S.E. 30-43-5-wth, and report back at next meeting.—Carried.

Moved by Coun. Jackson—That we do now adjourn.—Carried.

Hints for the Household

DISCUITS FOR FALL

By Betty Barclay

Really these biscuits are all-year-around biscuits, but at this particular season they seem to be particularly enjoyable — especially when served hot with luncheon or supper.

Pin Wheel Biscuits

2 cups special cake flour, sifted
4 teaspoons baking powder
3/4 teaspoon salt
4 tablespoons butter or other shortening
3/4 cup milk
4 tablespoons butter, creamed
1/2 cup brown sugar
1/4 cup pecan meats, chopped

Sift flour once, measure, add baking powder and salt, and sift again. Cut in shortening. Add milk gradually until soft dough is formed. Roll

1/4 inch thick on slightly floured board. Spread with creamed butter; sprinkle with brown sugar and nuts. Roll as for jelly roll and cut in 1-inch pieces. Place in greased muffin pans cut-sides up. Bake in moderate oven (375 degrees F.) 30 minutes. Makes 12 biscuits.

Cheese Biscuits

1 cup special cake flour, sifted
2 1/4 teaspoons baking powder
1/2 teaspoon salt
1 tablespoon butter or other shortening
1/2 cup grated cheese
3/8 cup milk and water, equal parts

Sift flour once, measure, add baking powder and salt, and sift again. Cut in shortening and cheese. Add liquid gradually until soft dough is formed. Roll 1/8 inch thick on slightly floured board. Cut with floured biscuit cutter. Bake in hot oven (450 degrees F.) 15 minutes. Makes 12 biscuits.

SEASONABLE RECIPES

Baked Halibut Steak

1 pound halibut steak
1/2 cup milk
Butter or substitute
Pepper
Salt

Rub steaks well with butter, pepper and salt. Lay steaks in baking pan and pour the milk over them. Bake often while cooking, until all the milk is used. Serve with mushroom (or your favorite) sauce.

Orange Nut Whip

(Serves 6-8)
1 cup whipping cream
1 cup peanut brittle rolled fine, (3 oz.)
1 cup orange pieces

Whip cream and fold in powdered peanut brittle and orange pieces. Serve very cold.

This dessert may be made in the iceless refrigerator. Freeze orange pieces with 1/2 cup sugar to a mush. Fold in cream and peanut brittle. Let stand till frozen again but no longer. Serve.

Fruit Sherbet

(Makes 2 quarts)
1/2 cup orange juice
1/2 cup lemon juice
2 1/2 cups sugar
1 quart milk
1 cup any one of the following fruits: crushed strawberries, crushed raspberries, apricot pulp, mashed peaches, mashed bananas, apple sauce.

Mix and freeze. If mixture curdles it will freeze smooth again.

Bitter Orange Marmalade

(Makes 6-8 glasses)
1 grapefruit
2 oranges
1 lemon
1/2 cup lemon juice

Slice unpeeled fruit very thin. Add three times as much water as fruit. Boil 20 minutes. Measure. Bring to boiling point. Add 1/2 cup sugar for each cup of fruit. Boil 25 minutes or until it gives the jelly test. Just before removing from the fire add 1/4 cup lemon juice. Pour into sterilized glasses; cover with paraffin when cold.

Quick Orange Jam

(Makes 2 glasses)
2 cups orange pulp and juice
1 lemon, pulp and juice
1 1/2 cups sugar

Boil quickly about 10 minutes or until syrupy and clear. Very good served warm on hot biscuits.

Orange Gelatine

(Serves 6)
2 tablespoons granulated gelatine
1/2 cup cold water
2 cups orange juice

1 tablespoon lemon juice
1/2 cup sugar
1/2 teaspoon grated orange rind
1/2 teaspoon salt

Soak gelatine in cold water 5 minutes and dissolve over hot water. Add to orange juice, lemon juice, sugar, grated rind and salt and stir until dissolved. Turn into molds and chill.

MUNICIPAL COUNCIL MET LAST THURSDAY

(Continued from Page One)

1932 taxes be cancelled against the N.Y.-4-46-5, which is in summerfall, S.S.B. land.

| | |
|-----------------------|----------------|
| Municipal | \$33.60 |
| Supplementary Revenue | 6.70 |
| School | 40.30 |
| Hospital | 6.70 |
| Total | \$87.30 |

Carried
Moved by Coun. Jones—That Cheque No. 93 for \$3.05 be cancelled and that a cheque be issued for \$2.17 in lieu thereof.—Carried.

Moved by Coun. Black—That Mr. McBride be advised that this District can give no guarantee to sell him, or his client, the S.W.-22-46-6 (following granting of title to District).—Carried.

Secretary reports a case of measles occurred on S.E.-23-45-5, Alfred R. Dahlgren.

Secretary reports having been served with Order Nisi Imperial Lumber Co. vis. Administrator of Estates etc., D. J. Abernethy estate S.E.-14-45-6.

Councillor Black reports having to have an injured horse shot; description and injury as follows: brown, white star on forehead; white strip on nose; forehead white up to fetlock; branded on right hip, V lazy A reverse. Leg almost torn off.

Secretary reports that Hospital Agreement has been approved by Department of Health.

Moved by Coun. Withnell—That the following accounts be paid.—Carried.

Mrs. J. Church, aid and relief for September \$10.00

L.T.O., T. re Cats, abstracts, and Diach. of Caveats \$603,578,639. (about 110,000,000 at normal exchange) which was a decline of \$56,000,000 from the previous year. Exports totalled \$110,000,000, a decrease of \$38,000,000. Imports from the British Empire were \$27,000,000 and exports to the Empire \$42,000,000. From the United States imports amounted to \$60,000,000, a decline of only \$19,000,000.

There are many interesting evidences of this trend.

To the end of July Canada had imported this year 621,000 tons of anthracite from the United Kingdom, an increase of 36 per cent in a year, while from the United States imports were 946,000 tons, a decrease of 30 per cent. August added another 50,000 tons to the British total and the total then was greater than for all of last year and higher than for any year except 1930. It is interesting to note that as late as 1926 the total imports of British coal were only just over 100,000 tons.

Six of the eight provincial liquor commissions in Canada now are buying South African wines. Ontario and Quebec are the latest to place orders and missionary work in this connection is being done with Nova Scotia and New Brunswick by Dr. P. R. Botha, South Africa's Trade Commissioner for Canada and the United States.

Canada normally imports about 15,000,000 bushels of corn, or maize, each year, although last year the quantity was reduced by 50 per cent. Most of this grain has come from the United States and Argentina. Since the Ottawa Conference orders for 2,000,000 bushels have been placed in South Africa.

A new outlet for Canadian Tobacco has been found in West Africa and the first shipment of 25 casks has gone forward to Sierra Leone. Hitherto the greater part of West Africa's tobacco has been supplied by the United States.

An interesting part of a large cargo brought from Australia and New Zealand by the "Canadian Constructor" consisted of parakeets, white owls, emus, Australian geese, and other live specimens strange to this

country, on their way to the Toronto Zoo as gifts from the Melbourne Zoo.

FALL SESSION OF ALBERTA LEGISLATURE IS UNLIKELY
It is unlikely that a fall session of the Alberta legislature will be held this year, according to Premier Brownlee, who stated that the action of the Dominion government in calling the House together in October would have no effect upon the Alberta legislature, and unless some emergency arose, unforeseen at the present time, it would be necessary to convene the legislature. The premier intimated, though that the legislative assembly would be called together at as early a date as possible after the new year.

Latvia has placed quotas on all imports.

CAN. NATIONAL RLWYS. WEEKLY NEWS ITEMS
After conducting a three-day aerial observation of the cosmic ray around Cormorant Lake in northern Manitoba, Dr. Robert Millikan, noted United States scientist, returned to the United States a few days ago, talking with him delicate instruments that registered the strength of the cosmic rays four miles above the surface of the earth. Locked in a long wooden box, delicate instruments contain the secret of one of the most baffling investigations scientists of the world have ever undertaken. Tucked inside is a roll of film which, when compared to other rolls of film taken at Marchfield, California, will tell the scientific world whether the cosmic ray is affected by the earth's magnetic pole.

An unusual request has been received by the Canadian National Railways in Halifax, Nova Scotia, from an American wishing to bring his family to that province, for a holiday. He writes: "Have you any hotels where there are no radios, where gramophones are prohibited, orchestras are barred, and there are no peeping bellboys?" Though the orchestra and the bellboys present no particular problem, it is felt that in these days it will be more difficult to meet his wishes respecting radios and gramophones.

It is not often that almost a thousand dollars blows about the street, waiting for someone to stoop

FAMOUS HANGMAN TOOK HIS OWN LIFE

LONDON.—John Ellis, the world's most famous hangman, ended at eight years of brooding retirement Tuesday.

He was found dead, his throat slashed and a razor by his side.

On January 9, 1923, after 32 years at his sinister task, Ellis bore the reputation of being the hangman who has sent more condemned murderers to their deaths than any other living man.

On the same day he put to death the notorious Mrs. Edith Thompson, who with young Frederick Bywaters was condemned to death for the murder of the woman's husband.

Years before Ellis had ostracized himself from society. His worry increased as his reputation became public. The hanging of Mrs. Thompson, who had to be dragged to the scaffold, was too much for him.

The aging man retired as a public hangman in the following year, but he was unable to shake off the horrors that haunted him.

Among those who died in a noose supervised by Ellis was Roger Casement, former knight and consul, who was hanged for high treason. He was put to death in 1916 for conspiring to cause an armed revolt in Ireland, and for having sought German aid to that end.

CANADIAN TRADE HAS EMPIRE TREND

EVIDENCE SEEN IN COAL, WINE, TOBACCO, MAIZE, AMONG OTHER THINGS

OTTAWA, Canada.—Statistics reveal an unmistakable swing in this Dominion towards Empire trade. Between January and June of this year, and taking into account both exports and imports, the proportion of Canada's trade done with all Empire countries increased from 23.1 per cent to 29.9 per cent, while in the case of the United Kingdom the increase was from 16.7 to 20.7 per cent.

Over the same period business done with all foreign countries fell from 76.9 per cent of the total to 70.1 per cent and with the United States from 63.2 per cent to 56 per cent.

The summer saw a distinct acceleration in the movement, under the influence of the Imperial Economic Conference and the increasing effectiveness of preferential treaties with Australia and New Zealand.

Canada's imports for the twelve months which ended in July were \$603,578,639. (about 110,000,000 at normal exchange) which was a decline of \$56,000,000 from the previous year. Exports totalled \$110,000,000, a decrease of \$38,000,000. Imports from the British Empire were \$27,000,000 and exports to the Empire \$42,000,000. From the United States imports amounted to \$60,000,000, a decline of only \$19,000,000.

There are many interesting evidences of this trend.

To the end of July Canada had imported this year 621,000 tons of anthracite from the United Kingdom, an increase of 36 per cent in a year, while from the United States imports were 946,000 tons, a decrease of 30 per cent. August added another 50,000 tons to the British total and the total then was greater than for all of last year and higher than for any year except 1930. It is interesting to note that as late as 1926 the total imports of British coal were only just over 100,000 tons.

Six of the eight provincial liquor commissions in Canada now are buying South African wines. Ontario and Quebec are the latest to place orders and missionary work in this connection is being done with Nova Scotia and New Brunswick by Dr. P. R. Botha, South Africa's Trade Commissioner for Canada and the United States.

Canada normally imports about 15,000,000 bushels of corn, or maize, each year, although last year the quantity was reduced by 50 per cent. Most of this grain has come from the United States and Argentina. Since the Ottawa Conference orders for 2,000,000 bushels have been placed in South Africa.

A new outlet for Canadian Tobacco has been found in West Africa and the first shipment of 25 casks has gone forward to Sierra Leone. Hitherto the greater part of West Africa's tobacco has been supplied by the United States.

An interesting part of a large cargo brought from Australia and New Zealand by the "Canadian Constructor" consisted of parakeets, white owls, emus, Australian geese, and other live specimens strange to this

HUNTING IN CANADA

WIDE VARIETY OF BIG AND SMALL GAME

HUNTING GROUNDS EASILY REACHED

SEASONS OF GENEROUS LENGTH

URING recent years there has been an exceptional increase in the number of people of this country who enjoy the sport of hunting and many thousands go afield yearly, with rifle or shotgun. No other section of the world can offer to the sportsman the same favorable conditions as prevail in Canada with its immense areas of virgin territory within rapid and comfortable means of access.

Vast Hunting Areas

This country possesses over 1,000,000 square miles of forest, which shelters game animals ranging from the timid rabbit to the huge and dangerous grizzly bear. Moose, caribou, elk, deer, bighorn sheep, mountain goat, timber wolf and bear are plentiful and may be hunted during open seasons of generous length.

Wild Fowl Abundant

The numerous lakes and ponds of northern Canada are the breeding places of the main waterfowl population of the American continent, consequently ducks, geese and other waterfowl are plentiful in normal years. The ruffed grouse or partridge is the most important upland bird and is common to every province, while woodcock, prairie chicken, Hungarian partridge and ptarmigan provide good sport in certain districts.

Hunting Grounds Easy of Access
Accessibility is an outstanding feature of much of Canada's hunting territory. The country is well served by roads, railways and steamboat lines, over which the sportsman may travel in comfort, to the "going in" point. Areas previously inaccessible may also now be reached by airplane in a few hours' flight. De-training or "going in" points are numerous throughout game areas and at these will be found reliable outfitters and qualified guides, who are prepared to look after the sportsman's every need and guidance while in the hunting territory. In several of the provinces it is compulsory for the hunter to be accompanied by a guide but, even in those provinces where it is not compulsory, it is often advisable to engage guides. These men, being familiar with the territory in which they operate, are able to add greatly to the enjoyment and success of the trip.

Conservation of Game

In Canada a practical form of conservation is found in the setting aside of tracts of public lands, as game reserves, and in the rigid protection of game in its extensive national and provincial parks. In these areas the game multiplies rapidly, under protection, and spreads over into the surrounding country. This favorable condition, coupled with sound protective legislation regulating the open seasons, bag limits, issuing of licenses etc., assures continuance of a supply of game animals and birds in their native habitat. Canada is thus able to offer the hunter exceptional opportunities for sport in season.

Hunting with Camera

To the camera-hunter and the student of wild life, the Canadian Provinces offer unusual opportunities for interesting experiences and records. There is no closed season on game, to the camera-hunter and, throughout the year, he will find favorable conditions to study the habits of game animals and birds and to photograph them in their natural surroundings.

Game Laws of the Provinces

The game laws of the different provinces are, drafted by the provincial Governments with a view to meeting local conditions; consequently there is no uniform game law for the Dominion as a whole. As these game laws are subject to revision from year to year, persons contemplating a hunting trip are advised to obtain copies of the current game laws and regulations of the province in which they intend to hunt.

The National Development Bureau of the Department of the Interior at Ottawa will gladly supply information on hunting in Canada, by either complying with requests, or referring same to other sources from which the particulars desired may be obtained.

SMALL CAKES*

made with Magic,

win First Prize for

Mrs. Jeanne McKenzie

"Magic has always been my standby," volunteers Mrs. Jeanne McKenzie, of Toronto, winner of three first prizes at the 1931 Canadian National Exhibition. "In fact, I wouldn't think of using any other baking powder."

"I make all my cakes with Magic. If I didn't, I am quite sure I never would have won so many prizes. Magic gives all baked foods an extra fine quality of flavor and texture that lift them out of the ordinary class."

Magic Baking Powder is used exclusively by the majority of cookery experts, dietitians, and housewives throughout Canada. In fact, Magic outsells all other baking powders combined!

*Mrs. McKenzie's Prize Recipe DELICATE CAKE

1/2 cup butter
2 cups fruit sugar
1/2 cup milk
3 cups pastry flour

2 teaspoons Magic Baking Powder
Whites of 6 eggs
1 teaspoon almond extract

Cream butter and add sugar. Sift flour and baking powder together several times. Add flour and milk alternately to the butter and sugar. Then add egg whites beaten very stiff. Add almond extract. Bake half of batter in small fancy cake moulds in moderate oven at 375° F. for about 20 minutes. Pour other half in layer cake tin and bake in moderate oven at 375° F. 35 to 40 minutes; when cool, cut in fancy shapes with cookie cutters. Decorate as illustrated with icing, chopped nuts, candied orange peel, jelly, cherries, maraschino cherries, etc.

DOMINION, PROVINCE GOVERNMENTS ASSIST IN PLACING FAMILIES ON FARMS

ALBERTA RECENTLY JOINED OTHER PROVINCES IN MOVEMENT

When the Canadian government, through its department of Immigration and Colonization under the direction of Hon. W. A. Gordon, decided to concentrate its efforts upon the settlement on the farm of families then residing in the Canadian cities, it set in motion a series of events that promises to have far-reaching effects. The co-operation of the Canadian National railways and the Canadian Pacific railway was invited and heartily given, and for the first time the three chief colonization agencies in Canada applied themselves to the settlement of Canadians on the land instead of the encouragement of immigration from outside sources.

The land-ward movement assumed proportions greater possibly than even those immediately concerned with it had anticipated. From October 1930 to March 31, 1932, the three organizations were instrumental in placing 7,046 families formerly resident in Canadian cities and other centres of population, on farms, and in placing 14,569 formerly unemployed men in farm employment. On the basis of five members to a family, this represents a movement to the land of 49,708 persons—a substantial contribution to the relief of unemployment and the stabilization of conditions.

Dominion Contributes
Family settlement under this movement was confined to those who had sufficient capital to establish themselves on the land. No financial assistance was extended. It soon became evident however that there were many families eager for an opportunity to gain a subsistence on the land who could not qualify for such settlement because of lack of capital. As a contribution toward relieving this situation the Dominion government in May last decided to bear a portion of the cost of settlement on the land of selected families who could qualify for such assistance in all localities where the province and municipality concerned were prepared to make a similar contribution, and an agreement to that effect was offered to each of the provincial governments. The stipulations of this agreement may be summarized as follows:

The Dominion government would contribute one-third of an amount not to exceed \$600 per family for the purpose of providing a measure of self-sustained relief, to families who would otherwise be in receipt of direct relief, by placing such families on the land, the remaining two-thirds of the expenditure to be contributed by the province and the municipality concerned as might be decided between them. The Dominion government contribution was to be regarded as a non-recoverable expenditure. The total expenditure on behalf of any one family during the first year was not to exceed \$500 for all purposes inclusive of subsistence and establishment, a minimum amount of \$100 being withheld to provide subsistence if necessary during the second year. No part of the above-mentioned expenditure was to be used for the purpose of acquiring or renting land.

Seven Provinces Act
Up to August sixth seven provinces—New Brunswick, Nova Scotia, Quebec, Ontario, Manitoba, Saskatchewan and Alberta—had signed the agreement and had begun active relief settlement work upon it. British Columbia was completing surveys of the situation preparatory to entering into agreement with the Dominion. In Nova Scotia 117 applications had been approved; in Ontario 87 families had been selected. Manitoba reported 126 families actually located on land; Saskatchewan 296 families. Alberta, which had just signed the agreement, had approved 29 families. Quebec signed the agreement on July 16th and is proceeding with organization and the selection of families.

No Discrimination on Race
It was stipulated that all families who might be assisted under the terms of this agreement should be residents of Canada and should be selected from those who would otherwise be in receipt of direct relief, the selection of families to be made without discrimination by reason of political affiliation, race or religious views.

The province was to be responsible for administration of relief settlement, including the location and inspection of suitable farms, and the selection of families who should be physically fit and qualified in other respects. Expenses of administration were to be paid by the province, and no part of the cost of administration and supervision was to be deducted from the maximum amount of \$600 set aside for subsistence and settlement of each family. Disbursements of funds to the families assisted were to be made by the province, which was required to set up an advisory committee including representatives of the Dominion land settlement branch, the Canadian Pacific Railway, and the colonization branch of the Canadian National railways. Provision was made for the furnishing, certification, and verification of accounts. The Dominion government at that time indicated the amount it had set aside for expenditure under this scheme in each province, such amount being based upon population of the province.

Settlement this year represents only the beginning of the movement as the agreement covers a period of two years which does not expire until March 31, 1934, and only those families whose position can be immediately improved by settlement on the land are being located at the present time. Therefore, while some immediate relief of unemployment conditions may be expected, the full effectiveness of the scheme will not be in evidence until at least 1935.

The plan is not put forward as a complete solution of unemployment, but it is undertaken as a constructive measure, to assist the unemployed to attain self-dependence on the farm. It presents a challenge to the initiative and energy of the unemployed as well as an opportunity to achieve self-support. It is confidently expected that settlement will be so administered by the provinces, upon whom that responsibility devolves, that a substantial measure of permanent land settlement will ensue.

The number of boys born still exceeds that of girls, the proportion being one thousand and forty-two boys to one thousand girls. The record for boys was in 1919 when it was one thousand and sixty to one thousand.

REALIZING OUR POSSIBILITIES
(Continued from Page Two)
to truly fulfill itself it must have an aim outside itself. Cecil Rhodes, the well-known English statesman, prime minister of Cape Colony and founder of the Rhodes Scholarships, for many years cherished the dream of a union of all English-speaking people under one organization. It is said that he put this dream into writing and carried it with him constantly. When affairs did not turn out well, when he was weary and discouraged, he would take from his pocket that worn document and refresh his energies by feeling himself again under the influence of a great objective.

Jesus recognized this demand for a purpose, and He gave an objective large enough so that every act of every day might be related to it, an objective of such a character that it brings significance to the routine work of daily life, as well as to the more outstanding activities. Seek ye first the Kingdom of God. Whatever else this may mean it is an ideal for human society in which men and women shall live together in harmony and mutual service, striving together for worthy ends and increasing in their knowledge of nature and of God. Such a purpose makes it possible for anyone to be working always consciously for those conditions which come nearer to the ideal.

We might well ask ourselves whether we have felt our real self under the sway of a lofty purpose which has a compelling attractiveness for us, and which call forth dormant qualities from within.

We have spoken of the appeal of the author of Hebrews; a cloud of witnesses; we have also noted how Jesus attempted to bring a sense of a great objective before his followers. There is a third factor which has been an incentive of great value in the lives of many. It might be termed our affinity with God. John speaks of it in saying, "Now we are sons of God...." and he goes on to say that when that relationship exists there is no limit to the possibilities that may result.

A philosopher of past centuries has said, "As a man thinketh within himself so is he." May there not be some real importance then to this Christian doctrine that we are sons of God? It is difficult to over-estimate the importance of what we think about ourselves. Prof. Hocking of Harvard, is quoted as saying that "there is a deep tendency in human nature to become like that which we imagine ourselves to be." In speaking of such a tendency one is reminded of Clifford Beers' recent book, "A Mind That Found Itself." Clifford was a sensitive lad who had an older brother affected with epilepsy. A dread terror hovered over the younger one that he might become epileptic, a terror so dreadful that he spoke to no one about it but brooded over it in morbid solitude. Continually he recoiled from the thought that he would become an epileptic, "Doomed to what I then considered a living death," he writes, "I thought of epilepsy, I dreamed of epilepsy, until thousands of times during the six years that this disquieting idea persisted my overwrought imagination seemed to drag me to the very verge of an attack." Then came the result—three years in an insane asylum; but he was finally restored. Clifford Beers, however, knew something of that "deep tendency in human nature to become like that which we imagine ourselves to be."

ALL THE NEWS FROM THE TOWN AND DISTRICT

A. D. Hall from Lloydminster was visiting Miss Ida Reich of the Saw-wood over the week-end.

Mr. C. T. Tordy drives one of the swiftest trotting horses that we have seen in these parts. All we have to say is: when you see him coming a couple of blocks away, you better move if you are crossing a street, for that horse is some stepper. Hats off to Mr. Tordy and his steed.

Workmen were at work during last week repairing the pavement on front of the depot.

Magistrate Miller from Hardisty was in town last week.

Mr. R. H. Ott, of the Searle Grain company of Greenshields, called on the Star office Wednesday evening. Mr. Ott recently was in the local hospital but is able to be at his place of business now. He also stated that very little wheat was moving now on account of the recent rain but threshing would be resumed in a day or so.

Mr. Milo Melvin called in the Star office Saturday evening and left a bushel of nice potatoes. They are the finest potatoes we have seen this season. Mr. Melvin stated that the yield was much below last year. He does not believe the yield throughout the country will be considerably shorter than last year. Mr. Melvin is a former building contractor who is well known in this community.

Mr. and Mrs. O. Knox have driven down to Czar to visit the former's father, J. M. Knox, who is more than 80 years old. Mrs. Knox will remain at Czar for some time to care for the older Mr. Knox who, since an operation some time ago, has been failing in health.

Giggles, laughs, gurgles, titters, guffaws, snickers, chuckles and roars all arise to a mad-house volume when Eddie Cantor dashes across the screen garbed in shower sheet and pursued by a bevy of lightly clad beauties. "Palmy Days", Thurs. Fri. and Sat.

We are more convinced than ever that some kind of a service club should be organized here in town. In conversation with some of the business men they showed considerable interest in the proposition. If everyone interested will talk to the other fellow, we will soon have enough interest to get together.

Mrs. J. E. Nordstrom, the Spirella corsetiere, spent two days in Irma on business this last week.

Last week The Star advertised in the classified ads that a crank had been found. The owner claimed the crank the morning the paper was issued, and another inquiry came in the next day. Use The Star want ads when you want results.

H. T. Brown of Edmonton, district manager of the Confederation Life association of Toronto, was a business visitor several days last week with the company's local agent, Miss Helen M. Tordy.

Where's the meany that stole the top off Milo Melvin's buggy, making it a fair-weather-only affair? That's cause for murder.

Miss Bert Caron spent a few days last week with Mrs. Julius Hamella.

This week marks the sixth anniversary of a very narrow escape for Julius Hamella, farmer near Wainwright. While he was threshing on his brother's farm in 1926, he was passing between a granary and the separator when the granary wall gave way, pushing him against the moving belt and at the same time smothering him with wheat. The quick action of Johnny Winters in stopping the engine saved his life. As it was, he had an unasked-for vacation from work for a few days.

Premier Brownlee places the conservative estimate of 150,000,000 bushels of wheat in the harvest now being gathered in the province. The Wainwright district is contributing its full share.

Mr. Walter Gray, of Fabyan, called in the Star Office and handed us 2 bucks for a years subscription. Mr. Gray stated that most of the wheat had been threshed in his community and all they needed now was a boost in the price.

Mr. and Mrs. F. W. Wolke were guests Sunday of J. C. McClain of Irma.

THANKSGIVING Day October 10

Monday, October 10th, has been proclaimed "Thanksgiving Day" by the government of Canada. Since the war, Thanksgiving Day has been held on November 11th, Armistice Day. This has been changed and these two holidays will be held on different dates in the future.

Mr. Walter J. Huntingford and wife are expected home this week-end from Denver where they have been attending an annual meeting of the International organizations of I.O.O.F. and Rebekah lodges. They were both delegates from Alberta.

The Forster and Brunner Garage has recently secured exclusive agency for all General Motors products in this vicinity.

Mr. M. L. Forster spent last Monday in Camrose on business.

Alex Walker left Monday for Regina where he will enter the Balfour Technical school. This will be his first year. He is letting himself in for a lot of work. We know.

Eddie Cantor funnier than ever, spraying laughing gas on big business and tossing a red-hot bombshell right in the middle of the \$125,000,000 fake fortune-telling racket. "Palmy Days", Thurs. Fri. and Sat.

Auction Sale at J. G. Morton Farm, one mile east and three miles north of Wainwright, Wednesday, Oct. 5. Sale commences at 1 p.m. J. W. Stuart, auctioneer.

Miss Elizabeth Smith of Metiskow underwent an operation at the Wainwright hospital Monday for injuries to her knee. She is doing nicely.

J. W. Stuart will be shipping hogs from Wainwright on Monday, Oct. 3.

Will Fox of Edmonton was here last week to visit his son, Wilbur Fox, and family.

Mrs. Fred Botaford of Edmonton, grand mistress of the L.O.O.F., spent from Tuesday to Friday in Wainwright as the guest of Mrs. G. Carlson, Mrs. Hackett and Mrs. Fieldhouse. She also spent Wednesday at Auburndale, accompanied by Mrs. Carlson and Mrs. Fred Walke.

Larry Deagan, Norman Bruce and Eddie Meidinger, the "Canadian Music Boosters" from Medicine Hat were in town Monday. They are at present completing their 15,000 mile tour to boost Canadian music and Canadian song and poem writers.

Basket social Friday, October 14, auspices I.O.O.F. Ladies bring baskets.

PUBLIC NOTICE

TOWN OF WAINWRIGHT Tenders For Purchasing of Building

TENDERS, addressed to the Secretary-Treasurer of the Town of Wainwright and marked, "Tenders for Purchase of Buildings," will be received up to 12 o'clock noon on Tuesday, the 4th day of October, 1932, for the purchase of the buildings hereinafter described. The tender must state the individual price offered for each building. All buildings must be removed from their present location and the last three mentioned must be removed from town. The highest or any tender need not necessarily be accepted.

(1) The frame building located on the Westerly 25 feet of Lots 10-11 and 12 Block 5 Plan 6445 V and known as the Fred Gordon building.

(2) The frame shack located on Lots 33 and 34 in Block 10 Plan 6445 V, immediately East of the Flour Mill on Third Avenue.

(3) The frame building located on the front of Lots 37 and 38 Block 10 Plan 6445 V, immediately West of Tordy's Service Station.

(4) The frame building located on Lots 3 and 4 Block 14 Plan 6445 V, immediately West of the Wainwright Feed Barn.

N. S. KENNY, Secretary-Treasurer.

Seen under the table at the Catholic banquet Monday evening—Mr. Lally trying to straddle a saw-horse, and I know his demi tasse hadn't anything in it mine didn't have.

The magic of Samuel Goldwyn's producing genius brings to life this spectacularly mounted, laugh-provoking epic of freedom. The most lavishly beautiful comedy hit in recent years. Eddie Cantor in "Palmy Days", Thurs. Fri. and Sat.

Mr. D. W. Beaubier, who has started drilling at his well on the Santee farm near Fabyan, has to leave temporarily as he is a member of parliament from Brandon, Man., and must be in attendance at the session which meets in Ottawa Oct. 6. His son and wife arrived this week and will look after the oil business while Mr. Beaubier is away.

The Women's Association of the United Church will hold a Thanksgiving Tea and Pantry Sale Oct. 8, in McLeod Furniture Store, 8:30 to 10 p.m. Come and buy your pantry supplies of chicken, eggs, butter, cream, canned fruit, etc.

Mrs. Murphy and daughter Evelyn were renewing acquaintances in town while Father Murphy was participating in the ceremonies connected with the opening of the church.

A truck belonging to E. J. Pryor upset with a load of wheat just north of town last week. The cab was smashed, one wheel was broken, and other damage was done. The cost for repairs will be considerable.

Mrs. W. E. Woods left this week for Peterboro, Ont., where Mr. Woods is living. She was accompanied by her niece, Miss Mills.

Farmers and rural school districts—now is the time to prepare for winter. Haul home your coal before the severe weather raises the price. Fit your storm sashes before the cold swells your casings and makes a straight job impossible. Atlas Lumber Co. Ltd. J. Welch.

Inspector Good's residence on Main street is being painted by the Cofield brothers.

Dr. Middlemass is repairing a house he owns on Fourth street, west, reshingling the roof and redecorating the house both inside and outside.

Don't go home empty. Take a load of Wildfire coal, painted, sold by Atlas Lumber Co. Ask about the contest for \$500 cash.

Mr. J. Nadeau, the contractor who has charge of the construction of the Catholic church and convent, made a visit here this week and was accompanied by his wife and baby.

Here's an overflowing dose of Eddie Cantor's magic laugh potion... exposing the \$125,000,000 fake fortune-telling racket... as efficiency expert to America's doughnut king... giving lessons in dunking and in every way "Glorifying the American Screen". "Palmy Days", Elite Theatre, Thurs. Fri. and Sat.

Mr. Robert Moore of Cooking Lake visited his uncle, Mr. George Steele, here last week.

Mr. Geo. Hudson of Edmonton was in town on business for a few days last week.

Mr. S. Nairn, adjuster for the Wawanesa Fire Insurance company, was in town Monday on his way east to look after some fire losses on cars and property.

Mr. Link is adding to the comfort of his hotel guests by building an inside vestibule for the front door of the hotel.

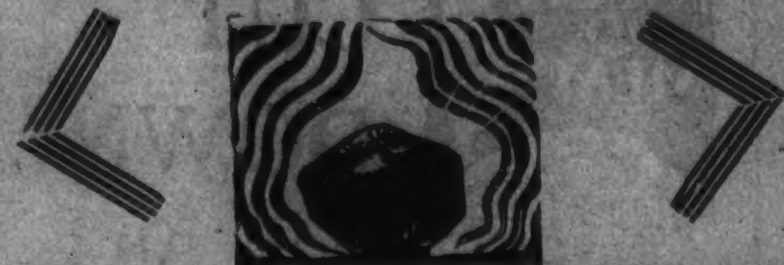

CLEAR LAKE WAVES

Continued from Page Five by drought and hot weather during August.

Large flocks of geese and ducks are seen these days passing to and from Ribstone Lake to the wheat fields.

Mr. Tordy visited the lake this week to see how his sailboat had survived the high winds that we have had recently. The winds have been responsible for unexpected voyages by

a large number of boats which have drifted away from their wharves to other parts of the lake.
